# THE FISHERIES ACT

Being Chapter 119 of Revised Statutes of Canada, 1952.

---

## REGULATIONS

**34.** (1) The Governor in Council may make regulations,

Governor  
in council  
may make  
fishery  
regulations

- (a) to prevent or remedy the obstruction and pollution of streams;
- (b) to regulate and prevent fishing;
- (c) to prohibit the destruction of fish or eggs of fish;
- (d) to forbid fishing except under authority of leases or licences;
- (e) prescribing the time when and the manner in which fish may be fished for and caught;
- (f) to prohibit the export of any fish or portion of any fish from Canada or the taking or carrying of fish or any portion of any fish from any one province of Canada to any other province thereof:

And without restricting the foregoing provisions of this section,

- (g) generally as may be necessary for the proper management and regulation of the sea-coast and inland fisheries.

(2) Every offence against any regulation may be stated as in violation of this Act.  
R.S.C. 1952, c. 119, s. 34.

Offences  
against  
regulations

**66.** Except as herein otherwise provided, every one who violates or prepares to violate any provision of this Act, or any regulation, is liable to a penalty of not more than one thousand dollars and costs, and, in default of payment, to imprisonment for a term not exceeding twelve months, or to both. R.S.C. 1952, c. 119, s. 66.

---

The foregoing are excerpts from The Fisheries Act (Canada):

Section 34 provides authority to make regulations and in accordance with which the Ontario Fishery Regulations which follow have been established.

Section 66 provides penalties for violations of provisions of these regulations.

## **Fisheries Act—The Ontario Fishery Regulations**

P.C. 1954-160

AT THE GOVERNMENT HOUSE AT OTTAWA  
WEDNESDAY, the 3rd day of February, 1954.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL

His Excellency the Governor General in Council, on the recommendation of the Minister of Fisheries and under the authority of section 34 of the Fisheries Act, is pleased to order as follows:

1. The Ontario Fishery Regulations established by Order in Council P.C. 5694 of 8th November, 1949, as amended, are hereby revoked; and
2. The annexed "Ontario Fishery Regulations" are hereby made and established in substitution for the regulations hereby revoked.

R. B. BRYCE,  
*Clerk of the Privy Council.*

# FISHERY REGULATIONS FOR THE PROVINCE OF ONTARIO

## *Short Title.*

These regulations may be cited as the Ontario Fishery Regulations.

## *Interpretation.*

### 1. In these regulations,

- (a) "angling" means taking or attempting to take fish by means of a hook and line held in the hand, or a hook and line and a rod held in the hand, and includes casting and trolling but not taking or attempting to take fish by means of set lines, and "angle" and "angler" have corresponding meanings; P.C. 1954-160, s. 1, cl. (a).
- (aa) "Atlantic salmon" includes "ouananiche"; P.C. 1956-1662, s. 1(1).
- (b) "bait fish" means minnows and any fish suitable for use as bait, other than game fish, yellow pickerel, pike, lake trout or whitefish, or other than species of lamprey in any stage of development; P.C. 1954-160, s. 1, cl. (b); P.C. 1955-495, s. 1 (part).
- (c) "bull-net" means a gill-net having a depth or a vertical width greater than thirty-six meshes;
- (d) "closed season" means a specified period during which specified fish shall not be taken;
- (e) "coarse fish" means,—
  - (i) any member of the gar family Lepisosteidae;
  - (ii) bowfin or dogfish (*Amia calva* Linnaeus);
  - (iii) bullhead, catfish, or any member of the family Ameiuridae;
  - (iv) burbot or ling (*Lota lota maculosa* LeSueur);
  - (v) carp (*Cyprinus carpio* Linnaeus), or any member of the family Cyprinidae;
  - (vi) eel (*Anguilla bostoniensis* LeSueur);
  - (vii) mullet, sucker, or any member of the family Catostomidae;

- (viii) sheepshead (*Aplochinotus grunniens* Rafinesque); and
- (ix) smelt (*Osmerus mordax* Mitchell);
- (f) "commercial fish" means fish other than game fish;
- (g) "commercial fishing" means the taking for sale of fish other than game fish, by means of any hook-line, trolling line, spear, minnow-trap, dip-net, gill-net, hoop-net, pound-net, seine-net, or trap-net, when authorized by licence;
- (h) "crappie" includes black crappie, calico bass, speckled bass, or white crappie;
- (i) "Department" means the Department of Lands and Forests of Ontario;
- (j) "dressed sturgeon" means a sturgeon from which the head, tail and entrails have been removed; P.C. 1954-160, s. 1, cls. (c-j).
- (ja) "dressed weight" means, with respect to lake trout or whitefish, the weight of the fish after the entrails and gills have been removed; P.C. 1960-299, s. 1 (1).
- (k) "extension measure" means the distance between the extreme angles of a single mesh measured with a metal rule or gauge inside and between the knots after the twine has been saturated in water and extended until taut by a weight of not less than seven and one-half ounces and not more than eight and one-half ounces and without breaking the twine, slipping a knot or bending the metal rule; P.C. 1961-128, s. 1.
- (l) "game fish" means,—
  - (i) smallmouth black bass (*Micropterus dolomieu dolomieu*, Lacepede);
  - (ii) largemouth black bass (*Micropterus salmoides*, Lacepede);
  - (iii) maskinonge (*Esox masquinongy masquinongy*, Mitchell);
  - (iv) Atlantic salmon (*Salmo salar* *salar*, Linnaeus);
  - (v) ouananiche (*Salmo salar ouananiche*, Jordan and Evermann);

- (vi) aurora trout (*Salvelinus timagamiensis*, Henn and Rinkenbach);
  - (vii) brown trout (*Salmo trutta fario*, Linnaeus);
  - (viii) Kamloops trout (*Salmo kamloops*, Jordan);
  - (ix) rainbow trout or steelhead trout (*Salmo gairdnerii* Richardson, *irideus* Gibbons);
  - (x) speckled trout (*Salvelinus fontinalis*, Mitchell); and; P.C. 1954-160 s. 1, cl. (1).
  - (xi) P.C. 1956-1662, s. 1 (2). (Revoked P.C. 1960-299, s. 1 (2)).
- (m) "lake trout" (*Salvelinus namaycush*, Walbaum) includes common lake trout, Great Lakes trout, grey trout, Makinaw trout, siscowet and splake (a cross breed of speckled trout and lake trout); P.C. 1954-160, s. 1 cl. (m); P.C. 1960-299, s. 1 (3).
- (ma) "large-mesh trawl net" means a trawl-net having a cod end the mesh size of which is two inches or more extension measure; P.C. 1962-163 s. 1 (1).
- (n) "licence" means an instrument issued under The Game and Fisheries Act (Ontario), or the regulations thereunder, conferring upon the holder the privilege to do the things set forth in it, subject to the conditions, limitations and restrictions contained in it and the Act, the regulations thereunder and these regulations, but no licence shall be or operate as a lease;
- (o) "Minister" means the Minister of Lands and Forests for Ontario;
- (p) "non-resident" means any person who has not actually resided in Ontario for a period of twelve consecutive months immediately preceding the time that his residence becomes material under these regulations;
- (q) "officer" means,—
  - (i) any conservation officer of the Department;
  - (ii) any member of the Ontario Provincial Police Force; and

- (iii) any other person authorized by the Minister to assist in the administration and enforcement of The Game and Fisheries Act (Ontario), the regulations thereunder, or these regulations; P.C. 1954-160, s. 1, cl. (n-q).
- (r) "open season" means a specified period during which specified fish may be taken; P.C. 1954-160, s. 1, cl. (r); P.C. 1955-495, s. 1, part; P.C. 1960-299, s. 1 (4).
- (s) "organized camp" means a camp in Ontario occupied by at least ten boys or ten girls under the age of twenty-one years and in the charge of an adult;
- (t) "person" includes Indian and a firm or body corporate;
- (u) "pike" (*Esox lucius*, Linnaeus) includes northern pike, great northern pike, and grass pike; P.C. 1954-160, s. 1, cl. (s-u).
- (ua) "pound-net" means an impounding net in which
  - (i) the main part of the net, including the crib pot or car and the bent wings, commonly known as the "heart", extends to the surface of the water and is supported and held in place by stakes driven into the bed of the lake, and
  - (ii) the top of the crib, pot or car is not covered by netting; P.C. 1956-1662, s. 1(3).
- (ub) "rainbow trout" (*Salmo gairdneri*, Richardson) includes *Salmo gairdneri irideus*, Gibbons and the Kamloops trout (*Salmo kamloops*, Jordan); P.C. 1960-299, s. 1 (5).
- (v) "resident" means any person who has actually resided in Ontario for a period of twelve consecutive months immediately preceding the time that his residence becomes material under these regulations; P.C. 1954-60, s. 1 cl v.
- (va) "round weight" means, with respect to lake trout or whitefish, the weight of the fish before the removal of the entrails and gills; P.C. 1960-299, s. 1 (6).

- (vb) "small-mesh trawl net" means a trawl-net having a cod end the mesh size of which is less than two inches extension measure; P.C. 1962-163 s. 1 (2).
- (w) "snagger" means an instrument made of a rigid or semi-rigid material with one or more hooks attached in such a manner that each is immovable and inflexible;
- (x) "snagging" means fishing for, attempting to fish for, catching or killing a fish with a hook or hooks or any instrument manipulated in such a manner as to pierce or hook a fish in any part of the body other than the mouth;
- (y) "snare" means any instrument used for taking or attempting to take fish, other than trolling line, hook and line, hook and line and a rod, hook-line, dip-net, gill-net, hoop-net, minnow-trap, pound-net, seine-net, spear, or trap-net, and "snaring" has a corresponding meaning;
- (z) "total length" means the distance from the tip of the head with the jaws closed to the tip of the tail with the lobes compressed so as to give the maximum possible measurement; P.C. 1954-160, s. 1 cls. (w-z).
- (za) "trap-net" means an impounding net supported principally by buoys or floats and held in place by anchors, and in which the top of the crib, pot or car is covered by netting; P.C. 1956-1662, s. 1(4);
- (zaa) "whitefish" means the species *Coregonus clupeaformis* Mitchell; and P.C. 1962-163 s. 1(3).
- (zb) "yellow pickerel" (*Stizostedion vitreum*, Mitchell) includes dore, pike-perch, walleye-pike and yellow pike; P.C. 1954-160, s. 1, cl. (za); P.C. 1956-1662, s. 1(4).

2.—(1) Except under a licence or as permitted under subsections (2) and (5) and section 4, no person shall take or attempt to take fish by any means other than angling.

(2) Subject to subsection (3), a resident may between sunrise and sunset take

- (a) a coarse fish or pike by means of a spear or bow and arrow during the months of March and April in the Counties of Elgin, Essex, Haldimand, Kent, Lambton, Lincoln, Middlesex, Norfolk and Welland;
- (b) coarse fish by means of a spear during the months of April and May in any part of Ontario not mentioned in paragraph (a) except in
  - (i) Algonquin Provincial Park and the counties and waters named in subsection (1) of section 61,
  - (ii) the Counties of Bruce, Dufferin, Grey, Ontario, Simcoe and York,
  - (iii) the Township of Morrison in the Territorial District of Muskoka, and
  - (iv) the Rideau River between Hog's Back Dam and the Ottawa River in the County of Carleton; and
- (c) carp by means of a bow and arrow from the first day of May to the fifteenth day of June, both dates inclusive, in the counties described in paragraph (a).

(3) No person shall take or attempt to take fish by means of a spear gun.

(4) Subject to subsection (2), no person shall have a spear in his possession on or within fifty feet of the edge of any river, lake or stream in the province.

(5) A resident may, during the months of March, April and May, take

- (a) coarse fish between sunrise and sunset except in Algonquin Provincial Park, the counties and waters named in subsection (1) of section 61, and the Rideau River between Hog's Back Dam and the Ottawa River in the County of Carleton; and
- (b) smelts at any time of the day or night except in
  - (i) Algonquin Provincial Park,
  - (ii) the Counties of Peterborough and Victoria and those parts of the Counties of Durham

and Northumberland lying northerly of that part of the King's Highway known as Number 2,

- (iii) the Trent River or Lake Scugog,
- (iv) Dalrymple Lake (also known as Mud Lake) in the County of Ontario, or

(v) the Rideau River between Hog's Back Dam and the Ottawa River in the County of Carleton, by means of a dip-net the dimensions of which are not more than six feet by six feet where the dip-net is rectangular or six feet in diameter where the dip-net is circular.

(6) No person shall sell or barter any fish taken under subsection (2) or paragraph (a) of subsection (5).

P.C. 1954-160, s. 2; P.C. 1955-495, s. 2; P.C. 1956-1662, s. 2; P.C. 1957-1683, s. 1; P.C. 1959-13, s. 1; P.C. 1960-299, s. 2; P.C. 1961-128, s. 2; P.C. 1962-163 S. 2.

**2A.** No person shall use more than one tip-up for the purpose of fishing through ice nor, when fishing, leave any tip-up unattended. P.C. 1961-128, s. 3.

3.—(1) Subject to subsection (1a) no person shall use or have in his possession for the purpose of taking or attempting to take fish

- (a) any live alewife (*Pomolobus pseudoharengus*), live carp, live dogfish, live gar pike, live goldfish (*Carassius auratus*), live white perch (*Morone americana*), live yellow perch (*Perca flavescens*), live rock bass (*Ambloplites rupestris*), live sunfish (*Lepomis* sp.) or live smelt, or
- (b) lamprey of any species in any stage of development.

(1a) Live alewife or live yellow perch may be used or possessed for the purpose of taking or attempting to take fish in Lake Superior, Lake Huron, including North Channel and Georgian Bay, Lake Erie, Lake Ontario, St. Mary River, Lake George, Munuscong Lake, Potagannissing Bay, the stretch of water between Drummond and Cockburn Islands, St. Clair River, Lake St. Clair, Detroit River, Niagara River and St. Lawrence River including Lake St. Francis.

(2) No person shall use any live bait fish or have in his possession any live bait fish for the purpose of taking or attempting to take fish from the waters described in Schedule 4.

(3) Except under a commercial dip-net licence for bait fish, a commercial seine-net licence for bait fish, a commercial trap licence for bait fish or a bait-fish dealer's licence, no person

- (a) from and including the first of November to and including the 31st of March next following shall take of have in his possession bait fish weighing in the aggregate more than forty pounds; and
- (b) from and including the 1st of April to and including the 31st of October in any year shall have in his possession bait fish in excess of fifty fish.

(4) Except under a commercial dip-net licence for bait fish, a commercial seine-net licence for bait fish, a commercial trap licence for bait fish or bait-fish dealer's licence, no person shall sell, barter or offer for sale or barter, any bait fish.

(5) No person shall liberate any live bait fish into any waters other than those from which they were originally taken. P.C. 1954-160, s. 3; P.C. 1955-495, s. 3; P.C. 1956-634; Schedule 4; P.C. 1957-1683, s. 2 and s. 21; P.C. 1959-13, s. 2; s. 16; P.C. 1960-299, s. 3., P.C. 1961-128, s. 4.

4—(1) Subject to subsections (2), (3), (4) and (5), a person may take bait fish for his own use by means of a dip-net or a trap.

(2) No person shall use more than one dip-net to take bait fish for his own use.

(3) No person, without a licence, shall use a dip-net the dimensions of which are greater than

- (a) three feet by three feet where the dip-net is rectangular, or
- (b) three feet in diameter where the dip-net is circular,

to take bait fish for his own use.

(4) No person shall use more than one trap to take bait fish for his own use.

(5) No person shall use a trap

- (a) the length of which is greater than twenty inches; or
- (b) the diameter of which is greater than twelve inches

to take bait fish for his own use.

P.C. 1954-160, s. 4; P.C. 1955-495, s. 4.

P.C. 1959-13, s. 3; P.C. 1959-155, s. 1.

5.—(1) Subject to subsection (2), any person under the authority of an angler's bait-fish licence may use

- (a) one seine-net but the dimensions of the seine-net shall not be greater than thirty feet by six feet,
- (b) one rectangular dip-net but the dimensions of the dip-net shall not be greater than six feet by six feet, or
- (c) one circular dip-net but the diameter of the dip-net shall not be greater than six feet,

to take bait fish for his own use.

(2) No holder of an angler's bait-fish licence shall use a seine-net to take bait fish in waters other than Lake Erie, Lake Huron including the North Channel and Georgian Bay, Lake Nipissing, Lake Ontario, Lake St. Clair, Lake Simcoe, Lake Superior and St. Lawrence River including Lake St. Francis. P.C. 1954-160, s. 5; P.C. 1955-495, s. 5; P.C. 1956-1662, s. 3; P.C. 1959-13, s.4.

#### *Angling Licences.*

6. Licences to angle are as follows:

- (a) Non-resident angling licence:
- (b) Revoked by P.C. 1962-163, s.3.
- (c) Non-resident angling licence for a member of an organized camp:
- (d) Resident angling licence for provincial parks; and
- (e) Resident angling licence for a member of an organized camp in a provincial park.

7. No person shall hold more than one angling licence in any year. P.C. 1954-160, s. 6-7.

7A. For the purposes of angling, residents of Manitoba and Saskatchewan are deemed to be residents of Ontario. P.C. 1962-163, s.4.

8. Subject to subsection (1) of section 9,

- (a) no non-resident shall angle except under a non-resident angling licence, or a non-resident angling licence for a member of an organized camp; and

(b) no non-resident shall angle unless at that time he has on his person his non-resident angling licence, or his non-resident angling licence for a member of an organized camp. P.C. 1954-160, s. 8; P.C. 1955-495, s. 6; P.C. 1962-163, s. 5.

**9.**—(1) A non-resident under the age of seventeen years may angle without a licence but only when accompanied by a member of his family who holds a non-resident angling licence.

(2) Fish taken by a non-resident under the age of seventeen years in accordance with subsection (1) shall be included in the catch of the holder of the non-resident angling licence. P.C. 1954-160, s.9; P.C. 1962-163, s.6.

**10.** A non-resident angling licence for a member of an organized camp shall not be issued until at least ten members of the camp each apply for and pay the prescribed fee for such a licence. P.C. 1954-160, s. 10.

**11.** Subject to subsection (1) of section 12,

(a) no resident shall angle in any provincial park except under a resident angling licence for provincial parks, or a resident angling licence for a member of an organized camp in a provincial park; and

(b) no resident shall angle in any provincial park unless at that time he has on his person his resident angling licence for provincial parks, or a resident angling licence for a member of an organized camp in a provincial park. P.C. 1954-160, s. 11; P.C. 1955-495, s. 7.

**12.**—(1) A resident under the age of seventeen years may angle in provincial parks without a licence but only when accompanied by a member of his family who holds a resident angling licence for provincial parks.

(2) Fish taken in a provincial park by a resident under the age of seventeen years, in accordance with subsection (1) shall be included in the catch of the holder of the resident angling licence for provincial parks.

**13.**—A resident angling licence for a member of an organized camp in a provincial park shall not be issued until at least ten members of the camp each apply for and pay the prescribed fee for such a licence. P.C. 1954-160, s. 12-13.

**13A.** For the purposes of sections 11 to 13, "Provincial Park" means Algonquin Provincial Park, Lake Superior Provincial Park or Quetico Provincial Park. P.C. 1960-299, s. 4.

**14.**—(1) No person shall angle with more than one line.

(2) No person shall angle with a line to which there is attached more than four hooks, but where artificial lures are used three hooks in a gang shall be deemed to be one hook.

(3) Subject to subsections (4) and (5), no person shall take or attempt to take fish by means of unbaited hooks, but a gaff or other similar device may be used to land any fish that is taken by angling or other lawful means.

(4) Subsection (3) shall not apply in the case of any artificial lure when it is used in angling.

(5) No person shall

- (a) take or attempt to take fish by means of a spring gaff; or
- (b) have a spring gaff in his possession on or within fifty feet of the edge of any river, lake or stream in the province.

(6) Subject to subsections (3) and (4) and to subsections (2) and (3) of section 2, no person shall

- (a) fish with or attempt to fish with; or
- (b) on any waters or within fifty feet of the water's edge thereof be in possession of

any baited or unbaited snagger or snare, or any other device capable of snagging or snaring fish. P.C. 1954-160, s. 14; P.C. 1955-495, s. 8; P.C. 1959-155, s. 2.

(Sections 15 to 60 and section 66 of P.C. 1954-160, as amended by P.C. 1955-495, P.C. 1955-679, P.C. 1956-634, P.C. 1956-1662, P.C. 1957-1683, P.C. 1958-286, and P.C. 1959-13, are revoked, and the following sections 15 to 31 are substituted therefor by P.C. 1960-299, s. 5.)

### *Fishing Seasons*

**15.** Except as provided in these Regulations, no person shall fish for or take fish from any of the waters of the Province. P.C. 1960-299, s. 5, *part*.

16.—(1) The fish described in Column 1 of Schedule 7 may be taken by the method described in Column 2 of that Schedule during the open seasons set out in Column 3 of that Schedule for the waters set out in Column 4 thereof.

(2) Except as provided by section 2, no person shall fish for, take or attempt to take fish during a closed season. P.C. 1960-299, s. 5, *part*.

(3) Notwithstanding subsection (1), where the first day of an open season as set out in Column 3 of Schedule 7 is a Sunday, Monday or Tuesday, the open season shall begin on the Saturday immediately preceding that Sunday, Monday or Tuesday. P.C. 1960-299, s. 5, *part*; P.C. 1962-163, s. 7.

17. For the purpose of these Regulations, the waters of Ontario excluding Lake Superior, Lake Huron including North Channel and Georgian Bay, Lake Erie, Lake Ontario, St. Mary River, Lake George, Munuscong Lake, Potagannissing Bay, the stretch of water between Drummond and Cockburn Islands, St. Clair River, Lake St. Clair, Detroit River, Niagara River and St. Lawrence River including Lake St. Francis, are grouped into the following Divisions:

- (a) Division 1 comprising the French River, Lake Nipissing, the Mattawa River, Trout Lake, Lake Talon and the waters lying within the islands in these waters;
- (b) Division 2 comprising the waters lying within
  - (i) the Townships of Bertram, Latchford, Falconer, Loudon, McPherson, Caldwell, Springer, Pedley, Beaucage, Commanda, Widdifield, Phelps, Olrig, and Mattawan, and the townships lying north thereof, in the Territorial District of Nipissing; and
  - (ii) the Territorial Districts of Algoma, Cochrane, Kenora, Manitoulin, Rainy River, Sudbury, Thunder Bay and Timiskaming; excepting therefrom any part of the water comprising Division 1; and
- (c) Division 3 comprising the waters of Ontario other than those in Division 1 and Division 2. P.C. 1954-160, s. 20; P.C. 1960-299, s. 5, *part*.

## *Daily Catch and Possession Limits*

- 18.**—(1) No person shall fish for, take or attempt to take by angling in one day more than
- (a) six largemouth black bass, six smallmouth black bass, or six of any combination thereof;
  - (b) two maskinonge;
  - (c) five aurora trout;
  - (d) five brown trout;
  - (e) five rainbow trout;
  - (f) Revoked by P.C. 1962-163, s. 8(1).
  - (g) five pounds of speckled trout plus one speckled trout or ten speckled trout, whichever is the lesser, from the waters of the Counties of Elgin, Middlesex and Norfolk;
  - (h) ten pounds of speckled trout plus one speckled trout or fifteen speckled trout, whichever is the lesser, from waters other than the waters of the Counties of Elgin, Middlesex and Norfolk;
  - (i) one Atlantic salmon;
  - (j) six yellow pickerel, six blue pickerel or six of any combination thereof;
  - (k) six pike;
  - (l) three lake trout taken in
    - (i) Lake Timagami,
    - (ii) Division 3, except Lake Simcoe, or
    - (iii) the boundary waters in the Territorial District of Rainy River lying between the main shore of the State of Minnesota in the United States of America and the main shore of the Province of Ontario;
  - (m) Revoked by P.C. 1962-163 s. 8(3).
  - (n) two lake trout from Lake Simcoe;
  - (o) five lake trout from waters other than those described in paragraphs (n) and (m);
  - (p) one sturgeon;
  - (q) ten perch from Lake Mindemoya in the Territorial District of Manitoulin; or
  - (r) thirty-five perch from that portion of the St. Lawrence River extending easterly from and including Robideaux Bay in the Township of Cornwall in the County of Stormont to the inter-

provincial boundary between Ontario and Quebec, including Lake St. Francis and the tributaries to these waters east of the westerly limit thereof and lying in the Township of Cornwall in the County of Stormont and the Townships of Charlottenburg and Lancaster in the County of Glengarry. P.C. 1960-299, s. 5, *part*; P.C. 1961-128, s. 5; P.C. 1962-123, s. 8.

(2) No person shall have in his possession at any time more than the daily catch for a fish set out in subsection (1). P.C. 1960-299, s. 5, *part*.

#### *Size Limits*

**19.** No person shall keep out of the water or have in his possession without lawful excuse, a maskinonge less than twenty-eight inches in length. P.C. 1960-299, s. 5, *part*.

**20.** Except for yellow pickerel taken by angling, no person shall retain, keep out of the water or have in his possession a yellow pickerel less than a total length of fourteen inches. P.C. 1960-299, s. 5, *part*.

**21.** Except for lake trout taken by angling, no person shall retain, keep out of the water or have in his possession without lawful excuse any lake trout weighing less than two pounds round weight or one and one-half pounds dressed weight. P.C. 1960-299, s. 5, *part*.

**22.** Except for whitefish taken by angling, no person shall retain, keep out of the water or have in his possession, without lawful excuse, any whitefish weighing less than one and one-half pounds dressed weight or

- (a) one and three-quarter pounds round weight when taken from Lake Erie or Lake Nipigon; or
- (b) two pounds round weight when taken from waters other than Lake Erie and Lake Nipigon. P.C. 1960-299, s. 5, *part*.

**23.** Except for sturgeon taken by angling, no person shall retain, keep out of the water or have in his possession without lawful excuse any sturgeon taken

- (a) from the waters of Lake St. Francis or the Ottawa River that is less than twenty-three inches in length; or
- (b) from the waters other than those mentioned in paragraph (a) that is less than twenty-five inches in length,

measured from the most posterior limit of the gill opening to the point where the posterior edge of the dorsal fin joins the flesh of the body. P.C. 1960-299, s. 5, *part*.

**24.**—(1) Except for sturgeon taken by angling, no person shall have in his possession any dressed sturgeon that is less than

- (a) twenty-one inches where the sturgeon is taken from the waters of Lake St. Francis or the Ottawa River; or
- (b) twenty-three inches where the sturgeon is taken from waters other than those mentioned in paragraph (a).

(2) The lengths referred to in subsection (1) shall be measured from the mid-lateral point of the anterior cut edge of the skin to a point where the posterior edge of the dorsal fin joins the flesh of the body. P.C. 1960-299, s. 5, *part*.

**25.**—(1) Subject to subsection (2), no person shall have in his possession any dressed sturgeon

- (a) that is not in one piece; or
- (b) from which the dorsal fin has been removed.

(2) Subsection (1) does not apply when the dressed sturgeon has been prepared for immediate human consumption or for immediate canning.

**26.** P.C. 1960-299, s. 5, *part*. (Revoked by P.C. 1961-128, s. 6.)

**27.** Except for ciscoe or herring taken by angling, no person shall retain, keep out of the water or have in his possession without lawful excuse any ciscoe or herring taken from Lake Erie that weighs less than eight ounces. P.C. 1960-299, s. 5, *part*.

**28.** Every person who catches any fish, the catching, taking or retaining of which is contrary to these Regulations, shall immediately return such fish to the water from which they were taken. P.C. 1961-128, s. 7.

**29.** P.C. 1960-299, s. 5, *part*. (Revoked by P.C. 1961-128, s. 8.)

**30.**—(1) No holder of a non-resident angling licence shall export or take from Ontario fish taken under the authority of that licence that are so skinned or cut as to make it impossible

- (a) to identify the species of any such fish; or
  - (b) to determine the number of fish.
- (2) Except with the written consent of the Minister or any officer authorized by him, no person shall export or take from Ontario any live fish, including bait fish taken by any means. P.C. 1960-299, s. 5, *part*; P.C. 1962-163; s. 9; P.C. 1962-431, s. 1.

### *Lake Trout in Lake Nipigon*

**31.** No holder of a commercial fishing licence shall take from Lake Nipigon, from the fifth of September to the fifteenth of October in any year, both dates inclusive, an aggregate round weight of lake trout in excess of one-tenth of the aggregate round weight of all other fish taken from Lake Nipigon during that period under the authority of the licence. P.C. 1960-299, s. 5, *part*.

### *Closed Season in Certain Areas*

**61.**—(1) Notwithstanding anything in these Regulations no person shall fish for, take or attempt to take any fish in

- (a) Algonquin Provincial Park;
- (b) the counties of Durham, Northumberland, Peterborough or Victoria;
- (c) the Trent River or Lake Scugog; or
- (d) Dalrymple Lake (also known as Mud Lake), in the County of Ontario,

from and including the sixteenth of October to and including the thirtieth of April next following, when that thirtieth of April is a Tuesday, Wednesday, Thursday or Friday, or the Friday immediately preceding the thirtieth of April when that thirtieth of April is a Saturday, Sunday or Monday.

(2) Subsection (1) does not apply to

- (a) angling for rainbow trout from the sixteenth day of October to the thirtieth day of November in any year, both dates inclusive, in waters southerly of that part of the King's Highway known as Number 2 in the Counties of Durham and Northumberland; or
- (b) taking smelts by means of a dip-net during the months of March and April in waters southerly of that part of the King's Highway known as Number 2 in the Counties of Durham and Northumberland.

P.C. 1955-495, s. 25; P.C. 1956-634, s. 10; P.C. 1956-1662, s. 23; P.C. 1957-1683, s. 9; P.C. 1960-299, s. 6; P.C. 1962-163, s. 10.

### *Artificial Lights*

**62.** No person shall use artificial lights for the taking of fish.

### *Use of Dynamite*

**63.** No person shall use dynamite or other explosive material

- (a) for the taking or destruction of fish; or
- (b) in a manner which might cause the unnecessary destruction of fish. P.C. 1954-160, s. 62, 63.

### *Motor Boats*

**63A.** No person shall use a boat propelled by electric, gasoline, oil or steam motive power for the taking of fish in any waters described in Schedule 8. P.C. 1960-299, s. 7.

**64.** P.C. 1954-160, s. 64. (Revoked by P.C. 1961-128, s. 9.)

### *Importation and Transfer of Fish*

**65.—(1)** No person shall, except with the written consent of the Minister or any officer authorized by him

- (a) import or bring any live fish into Ontario for the purpose of placing in any of the waters thereof;
  - (b) import or bring into Ontario any live bait fish or piranha (*Serrasalmus sp.*); or
  - (c) transfer any fish from any body of water to another body of water within Ontario.
- (2) No person shall
- (a) import or bring into Ontario, or
  - (b) transfer from any body of water to another body of water within Ontario,

any live lamprey in any stage of development. P.C. 1954-160, s. 65; P.C. 1955-495, s. 26; P.C. 1956-634, s. 11; P.C. 1957-1683, s. 10; P.C. 1959-13, s. 7.

**65A.** No person shall transfer within Ontario fish taken by angling that are skinned or cut so as to make it impossible

- (a) to identify the species of any such fish; or
- (b) to determine the number of such fish. P.C. 1960-299, s. 8.

**66.** P.C. 1954-160, s. 66; P.C. 1955-495, s. 27.  
(Revoked by P.C. 1960-299, s. 9. See Regulation 30.)

#### *Licences Other than Angling Licences*

**67.**—(1) Licences other than angling licences include a licence

- (a) to take fish for personal use by means of a gill-net, dip-net or roll-net; or
- (b) to take fish for commercial use by means of a gill-net, pound-net, trap-net, trawl-net, hoop-net, troll, hooks or seine-net;
- (c) to take carp for commercial use by means of a gill-net;
- (d) to take sturgeon for commercial use by means of a gill-net;
- (e) to take coarse fish for commercial use by means of a dip-net;
- (f) to take smelts for commercial use by means of a seine-net;
- (g) for a resident or a non-resident to take smelts for personal use;
- (h) to take bait fish for personal use for angling;
- (i) to take bait fish for commercial use by means of a dip-net, seine-net, or trap;
- (j) to deal in bait fish; and
- (k) to preserve bait fish.

(2) No licence prescribed in paragraphs (a) to (f), both inclusive, of subsection (1) shall be issued to

- (a) a person under the age of sixteen years, or
- (b) a non-resident.

(3) No licence prescribed in paragraphs (i), (j) or (k) of subsection (1) shall be issued to a person under the age of sixteen years.

(4) The Minister or any officer authorized by him may in any fishing licence specified in subsection (1) designate the waters for which the licence is valid. P.C. 1954-160, s. 67; P.C. 1955-475, s. 28; P.C. 1956-1662, s. 24; P.C. 1962-163, s. 11.

## *General Conditions Applicable to Commercial Fishing*

**68.**—(1) Subject to subsection (2), no person shall fish for, take or attempt to take fish by means of a pound-net, trap-net or gill-net

- (a) at any time in the waters described in item 1 of Schedule 5;
- (b) at any time in the waters described in item 2 of Schedule 5;
- (c) before the first of October in each year in the waters described in item 3 of Schedule 5;
- (d) at any time in that part of Georgian Bay of Lake Huron lying easterly of a line drawn from Sawlog Point to Whaleback Beacon, thence to Eshpade-kong Island, thence to the easterly side of Pine Island, thence to Phillemore Rock, thence to Bass Group Islands, thence to Hillier Island, thence to Campbell's Rock, thence to the most easterly end of Sandy Island, thence to the westerly side of Pancake Island, thence to the most westerly point of Franklin Island, thence to Twin Island, thence to Groundhog Island, thence to Hang Dog Point, thence to Champlain Island, thence to Tie Island, and thence to the mouth of the French River; or
- (e) at any time on or within five miles from Lake Superior Shoal in Lake Superior.

(2) Subsection (1) does not apply to the taking of carp by means of a gill-net under the authority of a carp gill-net licence. P.C. 1954-160, s. 68; P.C. 1955-495, s. 29; P.C. 1956-634, s. 12; P.C. 1956-1662, s. 25; P.C. 1957-1683, s. 11.

**69.**—(1) Subject to subsections (2) and (3), no person shall set or place any net, other than a dip-net, hoop-net or seine-net in any river, stream or creek or within one thousand yards of the mouth thereof. P.C. 1954-160, s. 69; P.C. 1959-13, s. 8; P.C. 1962-163, s. 12 (1).

(2) Subsection (1) does not apply to the setting or placing of nets in any river, stream or creek for the purpose of taking carp or suckers. P.C. 1954-160, s. 69 (2).

(3) Subsection (1) does not apply to the setting or placing of gill-nets in any river, stream or creek in Division 2 for the purpose of taking sturgeon. P.C. 1962-163, s. 12 (2).

**70.** No person who has set or placed in any water any net, trap or hooks for taking fish shall leave any such net, trap or hooks set in such manner or for such length of time as to allow any fish so taken to deteriorate or spoil.

**71.** No person shall set or place a gill-net within one-half mile of a pound-net set by any other person. P.C. 1954-160, s. 70-71.

### *General Conditions of Gill-Net Licences*

**72.**—(1) No holder of a gill-net licence shall have in the water at any time more than

- (a) one thousand yards of gill-net in Presqu'ile Bay of Lake Ontario;
  - (b) three thousand yards of gill-net in the Bay of Quinte or Weller Bay of Lake Ontario;
  - (c) eighteen thousand yards of gill-net in Lake Ontario, other than Presqu'ile Bay, Bay of Quinte and Weller Bay;
  - (d) twenty-four thousand yards of gill-net in Lake Nipigon;
  - (e) thirty-six thousand yards of gill-net in that part of Lake Erie lying westerly of a line drawn south twenty-one degrees, thirty minutes, east astronomically, or approximately south sixteen degrees, thirty minutes, east magnetically from a point where the high water mark on the north shore of Lake Erie is intersected by the boundary between the counties of Elgin and Kent; or
  - (f) forty-eight thousand yards of gill-net, in Lake Huron including Georgian Bay and North Channel, or Lake Superior.
- (2) No holder of a gill-net licence shall in the waters of Lac Seul in the Territorial District of Kenora, Rainy Lake in the Territorial District of Rainy River, or Lake of the Woods in the territorial districts of Kenora and Rainy River have in the water at any time under the authority of that licence more than four thousand yards of gill-net.

(3) In waters other than those mentioned in subsections (1) and (2) and other than that part of Lake Erie lying easterly of the line defined in paragraph (e) of subsection (1), no holder of a gill-net licence shall have in any one lake at any one time more than four thousand yards of gill-net.

(4) Notwithstanding subsections (1), (2) and (3), no holder of a gill-net licence shall have in the water at any time more than the length of gill-net specified on the licence. P.C. 1954-160, s. 72; P.C. 1955-495, s. 30; P.C. 1956-1662, s. 27; P.C. 1961-128, s. 10.

**73.**—(1) Subject to subsection (2), no person shall use or attempt to use a bull-net.

(2) A bull-net having

- (a) a depth or vertical width of not more than fifty meshes; and
- (b) meshes the extension measure of which is not more than two inches;

may be used for the taking of smelts in accordance with subsection (1) of section 96. P.C. 1954-160, s. 73.

*Conditions of Licences to take Fish for Personal Use by means of Gill-net, Dip-net and Roll-net*

**74.**—(1) No holder of a gill-net licence to take fish for personal use shall under the authority of that licence

- (a) have in the water at any one time more than thirty yards of gill-net;
- (b) fish for, take or attempt to take any fish by means of a gill-net the mesh of which is less than four and one-half inches extension measure; or
- (c) join any gill-net with any gill-net which is the property of any other person.

(2) No person taking fish under the authority of a gill-net licence to take fish for personal use shall sell or barter, or attempt to sell or barter the fish so taken.

(3) A gill-net licence to take fish for personal use shall be valid only in Division 2. P.C. 1954-160, s. 74; P.C. 1955-495, s. 31.

*Conditions of Dip-net Licences to take Fish for Personal Use*

**74A.**—(1) No holder of a dip-net licence to take fish for personal use shall use a dip-net to take fish between sunset and sunrise, or to take fish other than coarse fish.

(2) No holder of a licence mentioned in subsection (1) shall use

- (a) more than one dip-net; or
- (b) a dip-net the dimensions of which are more than:

- (i) six feet by six feet where the dip-net is rectangular; or
- (ii) six feet in diameter where the dip-net is circular.

(3) No person taking fish under the authority of a licence mentioned in subsection (1) shall sell or barter, or attempt to sell or barter the fish so taken. P.C. 1955-495, s. 32 (*part*).

*Conditions of Roll-net Licences to take Fish for Personal Use*

**74B.**—(1) A roll-net licence to take fish for personal use is valid only

- (a) for taking coarse fish, white bass, perch, sunfish and rock bass;
- (b) from and including March fifteenth to and including May fifteenth in any year, and
- (c) in that part of the Thames River located in the townships of Ekfrid or Mosa in the county of Middlesex, the townships of Dunwich or Aldborough in the county of Elgin, or the county of Kent.

(2) No holder of a licence mentioned in subsection (1) shall use

- (a) more than one roll-net; or
- (b) a roll-net the diameter of which is more than four feet, or the length of which is more than seven feet.

(3) No holder of a licence mentioned in subsection (1) shall set and have in any waters a roll-net that is not secured by a rope attached to a stake erected for that purpose on the shore.

(4) No holder of a licence mentioned in subsection (1) shall set and have in any waters a roll-net to which there is not attached a wood or metal plate upon which the name and address of the owner is legibly marked.

(5) No holder of a licence mentioned in subsection (1) shall erect and use a stake for the purpose mentioned in subsection (3) to which there is not attached a wood or metal plate upon which the name and address of the owner is legibly marked.

(6) No person taking fish under the authority of a licence mentioned in subsection (1) shall sell or barter, or attempt to sell or barter the fish so taken. P.C. 1955-495, s. 32 (*part*).

## *Special Conditions of Gill-net Licences*

75.—(1) This section applies only to a gill-net licence authorizing the use of a gill-net in Lake Nipigon.

(2) No holder of a gill-net licence shall set a gill-net

(a) in West Bay, Chief Bay or Black Sturgeon Bay;

(b) in that portion of Grand Bay south of a line produced easterly from Tchiatang Point;

(c) in waters lying south of Long Point in South Bay;

(d) in waters lying east of a straight line drawn from a point one mile west of Poplar Point to a point one mile west of High Hill Brook;

(e) within two miles of Virgin Falls; or

(f) in spawning grounds of speckled trout.

(3) The holder of a gill-net licence who is not a member of the Gull Bay Band of Indians, the Rocky Bay Band of Indians and the Whitesand Band of Indians shall not set a gill-net in that part of Kaiashk Bay (also known as Gull Bay) lying west of a straight line drawn from the easterly extremity of Nazoteka Point to Champlain Point or in that part of McIntyre Bay between the mainland and a straight line drawn from the portage on the easterly shore to the southerly end of Piwabik Island and thence in a straight line to the northwest shore drawn through the most northerly point of Faribault Island.

(4) No holder of a gill-net licence shall set a gill-net in Ombabika Bay from the fifteenth of April to the thirty-first of May, both dates inclusive, in any year.

(5) No holder of a gill-net licence authorized by the licence to use not more than six thousand yards of gill-net shall take more than the aggregate of the tonnage of yellow pickerel, sturgeon, lake trout and whitefish specified in the licence.

(6) A licence mentioned in subsection (5) may be issued only to the Gull Bay Band of Indians, the Rocky Bay Band of Indians and the Whitesand Band of Indians.

(7) No holder of gill-net licence authorized by the licence to use not more than twelve thousand yards of gill-net shall take more than the aggregate of twenty-five tons of yellow pickerel, sturgeon, lake trout and whitefish.

(8) No holder of a gill-net licence authorized by the licence to use not more than twenty-four thousand yards of gill-net shall take more than an aggregate of fifty tons of yellow pickerel, sturgeon, lake trout and whitefish.

(9) No holder of a gill-net licence shall have in the water at one time more than two thousand yards of gill-net for taking sturgeon. P.C. 1954-160, s. 75; P.C. 1955-495, s. 33; P.C. 1956-1662, s. 28 *part*; P.C. 1960-299, s. 10; P.C. 1961-128, s. 11; P.C. 1962-163, s. 13.

**75A.**—(1) No holder of a gill-net licence authorized by the licence to use more than five thousand yards of gill-net shall use, for the purpose of the licence, a boat other than the boat specified in the licence.

(2) Subsection (1) applies only to a gill-net licence authorizing the use of a gill-net in Lake Superior, Lake Huron, Lake Erie and Lake Ontario. P.C. 1960-299, s. 11.

**76.** P.C. 1954-160, s. 76; P.C. 1956-1662, s. 28, *part*. (Revoked by P.C. 1960-1559, s. 1.)

#### *Conditions of Carp Gill-net Licences*

**76A.**—(1) No holder of a carp gill-net licence shall have in the water at any one time under that licence more than

(a) fifteen hundred yards of gill-net where the gill-net is set under the ice; or

(b) three thousand yards of gill-net where the gill-net is not set under the ice.

(2) A carp gill-net licence shall not be valid

(a) in the Bay of Quinte or Weller Bay of Lake Ontario from and including the fifteenth of June to and including the fifteenth of September in any year, or

(b) for the taking of fish other than carp. P.C. 1956-1662, s. 29 *part*.

#### *Conditions of Sturgeon Gill-net Licences*

**76B.**—(1) No person shall fish for, take or attempt to take sturgeon by means of a gill-net in waters other than Lake Superior, Lake Huron, including North Channel and Georgian Bay, Lake Erie, Lake Ontario and Lake Nipigon, except under the authority of a sturgeon gill-net licence.

(2) No holder of a sturgeon gill-net licence shall in the waters mentioned in subsection (1) have in the water at any time under the authority of that licence more than two thousand yards of gill-net.

(3) A sturgeon gill-net licence is not valid for the taking of fish other than sturgeon. P.C. 1956-1662, s. 29, *part*.

(4) Notwithstanding subsection (1), any sturgeon accidentally taken during the open season for sturgeon in a gill-net set for species other than sturgeon may be retained and sold if such sturgeon is not less than the size limit specified in section 24 of these Regulations. P.C. 1962-163, s. 14.

#### *Conditions of Pound-net Licences and Trap-net Licences*

77.—(1) The Minister or any officer authorized by him may

- (a) in a pound-net licence
  - (i) limit the number of pound-nets; or
  - (ii) authorize the substitution of trap-nets for pound-nets; or
- (b) in a trap-net licence limit the number of trap-nets that the licensee may have in the water at any time.

(2) No holder of a pound-net licence or a trap-net licence shall have in the water at any time more than the number of pound-nets or trap-nets authorized in the licence. P.C. 1954-160, s. 77; P.C. 1956-1662, s. 30, *part*.

78.—(1) P.C. 1954-160, s. 78; P.C. 1956-1662, s. 30, *part*. (Revoked by P.C. 1960-1559, s. 2.)

(2) A pound-net licence authorizing the use of pound-nets in Lake St. Clair is not valid from and including the twenty-first of May to and including the thirty-first of August in any year.

(3) The holder of a licence mentioned in subsection (2) shall not set a pound-net which has

- (a) more than one pot;
- (b) a pot more than thirty feet long;
- (c) a pot more than five feet wide;
- (d) a pot more than five feet deep;

- (e) more than one lead; or
  - (f) a lead more than three hundred and thirty feet long.
- (4) No holder of a pound-net licence authorizing the use of pound-nets in Lake Nipissing shall take any yellow pickerel or pike under the authority of that licence. P.C. 1954-160, s. 78; P.C. 1956-1662, s. 30, *part*.

**79.** No person shall set two or more pound-nets or trap-nets in such a manner that the space clear of twine between any pound-net or trap-net and any other pound-net or trap-net is less than fifty feet.

(2) P.C. 1954-160, s. 79; P.C. 1955-495, s. 34; P.C. 1956-1662, s. 31. (Revoked by P.C. 1961-128, s. 12.)

#### *Conditions of Trawl-net Licences*

**79A.**—(1) The Minister or any officer authorized by him may in a trawl-net licence specify

- (a) the mesh size;
  - (b) the species of fish and the quantity of such species; and
  - (c) the period of time and the waters, for which the trawl-net licence is valid.
- (2) A trawl-net licence is valid only
- (a) for taking the species of fish and the quantity of such species that are specified in the licence;
  - (b) for the period of time specified in the licence; and
  - (c) in the waters specified in the licence.
- (3) No holder of a licence mentioned in subsection (1) shall
- (a) have in the water at any time a trawl-net the mesh size of which has an extension measure other than that specified in the licence;
  - (b) have a large mesh trawl-net and small-mesh trawl-net on board a fishing boat or vessel at the same time;
  - (c) have a trawl-net on board a fishing boat or vessel at a time when
    - (i) there is a gill-net, trap-net or pound-net on board that fishing boat or vessel, or

- (ii) the holder of the licence, or his servant or agent, has a gill-net, pound-net or trap-net set in the water. P.C. 1962-163, s. 15.

### *Conditions of Hoop-net Licences*

**80.**—(1) In this section,

- (a) “single hoop-net” means a hoop-net having one pot; and  
(b) “double hoop-net” means a hoop-net having two pots.

(2) The holder of a hoop-net licence shall not set a hoop-net which has

- (a) more than one lead;  
(b) any lead more than one hundred and thirty-two feet in length;  
(c) other than straight wings;  
(d) any wing more than twelve feet in length;  
(e) any hoop more than six feet in diameter, where the hoop is circular;  
(f) in the case of hoops which are not circular,  
    (i) more than six feet between the extreme points measured in a vertical direction, or  
    (ii) more than eight feet between the extreme points measured in a horizontal direction; or  
(g) any pot with more than five throats.

(3) No person shall set two or more hoop-nets in such a manner that the space clear of twine between each hoop-net is less than twenty feet.

(4) The Minister or any officer authorized by him may in a hoop-net licence limit the number of single hoop-nets or double hoop-nets that the licensee may have in the water at any one time but, subject to subsection (6), no person shall have more than ten hoop-nets in the water at any one time.

(5) Subject to subsection (6) no holder of a hoop-net licence shall have in the water at any one time more than the number of hoop-nets specified in the licence.

(6) The holder of a hoop-net licence for Lake Ontario under which he is authorized to have in the water any double hoop-nets may convert any such net into two single hoop-nets, but no person shall have more than fifteen hoop-nets in Lake Ontario at any one time.

(7) No holder of a hoop-net licence shall take any herring, pike, sturgeon, trout of any species, yellow pickerel or whitefish by means of a hoop-net. P.C. 1954-160, s. 80; P.C. 1956-1662, s. 32; P.C. 1957-1683, s. 13.

**81.**—(1) A hoop-net licence is not valid in the territorial districts of Kenora and Rainy River from and including the first of June to and including the seventh of September in any year.

(2) A hoop-net licence is not valid in waters other than waters in the territorial districts of Kenora and Rainy River from and including the thirteenth of May to and including the twentieth of September in any year.

(3) Notwithstanding subsection (2), the Minister or any officer authorized by him may in writing permit the holder of a hoop-net licence to take eels in Lake Ontario including the Bay of Quinte from and including the fourteenth of May to and including the thirty-first of May in any year. P.C. 1954-160, s. 81; P.C. 1957-1683, s.

#### *Conditions of Commercial Trolling Licences*

**82.**—(1) A commercial trolling licence is not valid in any waters other than Lake Huron, including North Channel and Georgian Bay, Lake Superior and the expansion of the St. Lawrence River known as Lake St. Francis.

(2) A commercial trolling licence is valid only for taking

- (a) lake trout in Lake Huron, including North Channel and Georgian Bay, and Lake Superior; or
- (b) commercial fish in Lake St. Francis.

(3) No person trolling under the authority of a commercial trolling licence shall use

- (a) more than one boat;
- (b) more than two trolling lines; or
- (c) a trolling line having more than four hooks. P.C. 1954-160, s. 82.

#### *Conditions of Licences to Use Hooks*

**83.**—(1) Subject to sections 86 and 87 a licence authorizing the use of hooks in waters other than the Ottawa River and Lake St. Clair is not valid for taking any sturgeon or trout of any species.

(2) No holder of a licence mentioned in subsection (1) shall use more than one hundred and fifty hooks, or three hundred hooks, whichever is specified in the licence. P.C. 1954-160, s. 83; P.C. 1956-1662, s. 33; P.C. 1957-1683, s. 15.

**84.**—(1) A licence authorizing the use of hooks in the Ottawa River is not valid for taking any yellow pickerel, pike or trout of any species.

(2) No holder of a licence mentioned in subsection (1) shall use more than three hundred hooks. P.C. 1954-160, s. 84; P.C. 1956-1662, s. 34; P.C. 1957-1683, s. 16.

**85.**—(1) A licence authorizing the use of hooks in Lake St. Clair is not valid for taking any blue pickerel, yellow pickerel, pike or trout of any species.

(2) No holder of a licence mentioned in subsection (1) shall use more than

(a) one line, two lines or three lines, whichever is specified in the licence; or

(b) three hundred hooks on any one line.

(3) No person shall hold more than one licence mentioned in subsection (1). P.C. 1954-160, s. 85; P.C. 1956-1962, s. 35.

**86.**—(1) A licence authorizing the taking of lake trout by means of hooks is valid only in Lake Huron, including Georgian Bay and North Channel, and Lake Superior, and for taking commercial fish other than perch, pike, yellow pickerel or sturgeon.

(2) No holder of a licence mentioned in subsection (1) shall use more than

(a) one line, or two lines, whichever is specified in the licence; or

(b) eighteen hundred hooks on any one line.

(3) The holder of a licence mentioned in subsection (1) may under the authority of that licence use a gill-net to take bait fish, but he shall not use more than five hundred yards of gill-net for each line specified in the licence.

(4) No person shall take bait fish under subsection (3) by means of a gill-net the mesh of which is less than one and one-half inches extension measure or more than two inches extension measure.

(5) No holder of a licence mentioned in subsection (1) shall barter, sell or otherwise dispose of for any purpose,

or have in his possession for any purpose other than for use as bait, any fish taken in a gill-net used under the authority of the licence. P.C. 1954-160, s. 86; P.C. 1955-495, s. 35; P.C. 1956-1662, s. 36.

87.—(1) A licence authorizing the taking of sturgeon by means of hooks in waters other than the Ottawa River and Lake St. Clair is not valid for taking any fish other than sturgeon.

(2) No holder of a licence mentioned in subsection (1) shall use more than three hundred or six hundred hooks whichever is specified in the licence. P.C. 1954-160, s. 87; P.C. 1956-1662, s. 37; P.C. 1957-1683, s. 17.

#### *Conditions of Dip-net Licences*

88.—(1) No holder of a commercial dip-net licence for bait fish shall sell bait fish taken under the licence to a person other than an angler or a holder of a bait-fish dealer's licence.

(2) No holder of a dip-net licence for coarse fish shall fish with

- (a) more than one dip-net; or
- (b) a dip-net the dimensions of which are more than
  - (i) ten feet by ten feet, where the dip-net is rectangular, or
  - (ii) ten feet in diameter, where the dip-net is circular.

P.C. 1954-160, s. 88; P.C. 1955-495, s. 36; P.C. 1959-13, s. 9.

89. P.C. 1954-160, s. 89, (*Revoked by P.C. 1956-1662, 38.*)

#### *Conditions of Seine-net Licences*

90.—(1) The Minister or any officer authorized by him may in a seine-net licence limit the quantity of seine-net that the licensee may have in the water at any one time, but in no case shall the quantity exceed four hundred yards.

(2) No holder of a seine-net licence shall have in the water at any one time more than the quantity of seine net specified in the licence. P.C. 1954-160, s. 90.

91.—(1) A seine-net licence is not valid

- (a) in Inner Long Point Bay of Lake Erie from and including the thirteenth of May to and including the thirty-first of August in any year;
- (b) in the Thames River from and including the first of May to and including the thirty-first of August in any year; or
- (c) on any spawning ground of black bass from and including the first of May to and including the thirty-first of August next following.

(2) Unless otherwise provided in the licence no holder of a seine-net licence shall take by means of a seine-net any herring, pike, sturgeon, trout of any species, yellow pickerel or whitefish. P.C. 1954-160, s. 91; P.C. 1955-495, s. 37; P.C. 1956-1662, s. 39; P.C. 1960-299, s. 12; P.C. 1961-128, s. 13.

#### *Conditions of Commercial Seine-net Licences for Smelts*

**92.** No holder of a commercial seine-net licence for smelts shall

- (a) have in the water more than one hundred yards of seine-net at any time; or
- (b) take fish other than smelts. P.C. 1954-160, s. 92; P.C. 1956-1662, s. 40.

#### *Conditions of Licences to Take Smelts for Personal Use*

**93.**—(1) No holder of a licence to take smelts for personal use shall take smelts by means other than a seine-net, the dimensions of which are not more than thirty feet by six feet.

(2) No holder of a non-resident licence shall take smelts for personal use by any means other than

- (a) a seine net, the dimensions of which are not more than thirty feet by six feet; or
- (b) a dip-net, the dimensions of which are not more than
  - (i) six feet by six feet where the dip-net is rectangular; or
  - (ii) six feet in diameter where the dip-net is circular. P.C. 1954-160, s. 93; P.C. 1956-1662, s. 41; P.C. 1959, s. 10.

### *Conditions of Commercial Seine-net Licences for Bait Fish*

**94.**—(1) No holder of a commercial seine-net licence for bait fish shall sell bait fish taken under the licence to a person other than an angler or a holder of a bait-fish dealer's licence.

(2) No holder of a licence mentioned in subsection (1) shall fish with

- (a) more than one seine-net; or
- (b) a seine-net the dimensions of which are more than
  - (i) sixty feet by six feet; or
  - (ii) one hundred feet by eight feet, whichever is specified in the licence. P.C. 1954-160, s. 94; P.C. 1955-495, s. 38-39, P.C. 1959-13, s. 11.

### *Conditions of Commercial Trap Licences for Bait Fish*

**95.**—(1) No holder of a commercial trap licence for bait fish shall sell bait fish taken under the licence to a person other than an angler or a holder of a bait-fish dealer's licence.

(2) No holder of a licence mentioned in subsection (1) shall use a trap the dimensions of which are more than

- (a) twenty inches in length; or
- (b) twelve inches in diameter. P.C. 1954-160, s. 95; P.C. 1955-495, s. 40-41; P.C. 1959-13, s. 12.

### *Conditions of Bait-Fish Dealer's Licences*

**95A.**—(1) No holder of a bait-fish dealer's licence shall sell bait fish held under the licence to a person other than an angler or a holder of a bait-fish dealer's licence.

(2) The holder of a licence mentioned in subsection (1) is authorized to possess and use dip-nets and seine-nets on his premises where bait fish are held for sale. P.C. 1955-495, s. 42; P.C. 1959-13, s. 13.

### *Conditions of Licence to Preserve Bait Fish*

**95B.**—(1) A licence to preserve bait fish is valid for preserving bait fish for sale to any person.

(2) A licence to preserve bait fish shall be issued only to a person who holds

- (a) a commercial dip-net licence for bait fish;
- (b) a commercial seine-net licence for bait fish;
- (c) a commercial trap licence for bait fish; or
- (d) a bait-fish dealer's licence.

(3) The Minister or any officer authorized by him may in a licence to preserve bait fish limit the total weight of bait fish that may be preserved under that licence, but in no case shall the total weight of bait fish preserved exceed one thousand pounds. P.C. 1955-495, s. 42.

#### *Size of Mesh for Gill-nets*

96.—(1) Subject to subsections (2) and (3), subsection (4) of section 67, and sections 68, 76, 86 and 97, no person shall fish for, take or attempt to take any fish in respect of each of items 1 to 40, respectively, in Schedule 2

- (a) in the waters named in Column 1;
- (b) in the depth of water specified in Column 2;
- (c) of the species specified in Column 3; or
- (d) during the time or period and subject to the conditions specified in Column 4;

by means of any gill-net the mesh of which has an extension measure less than the minimum, or between the limits, or more than the maximum prescribed in Column 5.

(2) When so provided in the licence, a holder of a gill-net licence authorizing the use of gill-nets in Georgian Bay of Lake Huron may, in any part of that bay where the water is less than five fathoms, use a gill-net the mesh of which is not less than  $2\frac{1}{8}$  inches, extension measure, for taking ciscoes or herring for sale, barter or other disposition within Ontario.

(3) Subject to subsection (2) the holder of a gill-net licence, unless otherwise provided in the licence, shall not use a gill-net the mesh of which is less than four and one-half inches, extension measure, for the taking of ciscoes or herring, in Lake Huron, including Georgian Bay and North Channel, and Lake Superior, but in no case shall the mesh be less than the minimum, or between the limits prescribed in Column 5 of Schedule 2, in respect of items 5, 6, 7, 12, 13 and 14 thereof. P.C.

1954-160, s. 96; P.C. 1955-495, s. 43-44; P.C. 1956-634, s. 13 and schedule 2; P.C. 1956-1662, s. 42; P.C. 1957-1683, s. 19; P.C. 1959-13, s. 14.

(4) The Minister may authorize the use of any rule or gauge for extension measure and such rule or gauge shall be deemed to comply with the requirements of these Regulations. P.C. 1961-128, s. 14.

#### *General Restrictions on Use of Gill-nets*

**97.**—(1) No person shall use or attempt to use any gill-net in an area in which and at a time during which mature fish are not likely to be caught.

(2) No person in charge of or in control of any fishing boat or vessel, no owner of any fishing boat or vessel, or no holder of a commercial fishing licence, under the authority of which licence fishing operations are carried on from such fishing boat or vessel, shall have or permit to have on board such fishing boat or vessel any gill-net of a size of mesh extension measure the use of which is prohibited by section 96. P.C. 1954-160, s. 97.

#### *Underweight or Undersized Fish taken by Means Other than Angling*

**98.**—(1) Subject to subsection (2) and notwithstanding anything contained in these regulations, where a person takes fish by means other than angling he may retain a quantity of any underweight or undersized fish of any species not exceeding ten per cent of the total weight of that species taken at that time.

(2) Subsection (1) does not apply to sturgeon.

(3) No person shall sell or barter underweight or undersized fish taken by any means. P.C. 1954-160, s. 98.

#### *General Provisions*

**99.**—(1) No person shall take any fish or spawn from Ontario waters or have such fish or spawn in possession for the purpose of stocking, artificial breeding, or for scientific or educational purposes, except under the written authority of the Minister or any officer authorized by him.

(2) Notwithstanding anything contained in these Regulations the Minister or any officer authorized by him may, subject to such conditions as may be imposed by him in writing permit,

- (a) the experimental use of apparatus or gear designed for the catching of fish; or
- (b) the removal from any specified waters of any specified species of fish. P.C. 1954-160, s. 99; P.C. 1956-1662, s. 43; P.C. 1957-1683, s. 18.

**100.** No person shall angle for any purpose within twenty-five yards of a pound-net. P.C. 1954-160, s. 100.

**101.** P.C. 1954-160, s. 101; P.C. 1956-634, s. 14; P.C. 1956-832, s. 1; P.C. 1956-1662, s. 44; P.C. 1960-299, s. 13. (Revoked by P.C. 1961-128, s. 15.)

**102.**—(1) No person shall set a net for the taking of fish to which there is not attached a buoy at each end.

(2) No person shall set a net or baited hook for the taking of fish to which there is not attached

- (a) to each buoy, in the case of a net; or
- (b) to each pole, in the case of a baited hook, a wood or metal plate upon which the name of the owner of the net or baited hook is legibly marked and visible from the surface of the water.

(3) Where a net or baited hook is set in contravention of subsection (2), it shall be seized and if no claim for such net or baited hook is made by the owner thereof within two days from the date of seizure it shall be forfeited to and become the property of the Crown in right of Ontario and sold by the Department. P.C. 1954-160, s. 102.

**103.** Where a seine-net

- (a) has been found in or near waters in which fishing by seines is permitted and is not claimed within two days by a person holding a licence to fish with a seine-net; or
- (b) has been found in or near waters in which fishing by a seine-net is prohibited

it shall be seized and forfeited to and become the property of the Crown in right of Ontario and sold by the Department. P.C. 1954-160, s. 103.

**104.** Where a fishery is in charge of any person other than the owner, either as occupant or servant, and any of the provisions of these regulations are violated by the person or by the owner, they shall be jointly and severally liable for any penalties incurred and all damages recoverable in respect to the violation. P.C. 1954-160, s. 104.

**105.** No person shall ship or transport or cause to be shipped or transported, or receive or possess for shipment or transport, any fish caught, taken or killed within Ontario at a time or in a manner prohibited by these regulations. P.C. 1954-160; s. 105.

**106.** In actions and prosecutions under these regulations with respect to

- (a) taking, killing, procuring or possessing any fish or any part of such fish, the onus is upon the person charged to prove that the fish or any part of such fish was lawfully taken, killed, procured or possessed by him;
- (b) setting a net, fishing device or other article, the finding of any of them set in violation of these regulations shall be *prima facie* evidence of the guilt of the person owning, possessing or operating any of them;
- (c) making of returns by licensees, the production of a return made by a licensee shall be *prima facie* evidence of the making of such return and the contents thereof. P.C. 1954-160, s. 106.

**107.**—(1) The Minister in any licence may impose such terms and conditions as he deems proper and that are not inconsistent with these regulations.

(2) No holder of a licence shall violate the terms and conditions of his licence. P.C. 1954-160, s. 107.

### *Closed Waters*

**108.** Notwithstanding anything contained in these regulations, no one shall fish for, take or attempt to take fish at any time in the respective areas described in the several subsections of this section except under the authority of a special permit issued or caused to be issued by the Minister for the period or periods of time and upon such conditions as may be fixed by the Minister.

(1) All that portion of Lake Ontario and islands included within a circle having a radius of 2,000 yards the centre of which circle is on Becroft Point and distant 2,410 yards measured on a course south 12 degrees 35 minutes west astronomically from the intersection of the centre line of the allowance for road between concessions 1 and 2 in the township of Ameliasburg and the

high water mark of Lake Ontario, having an area of approximately four square miles. P.C. 1954-160, s. 108 (1).

(2) P.C. 1954-160, s. 108 (2). (Revoked by P.C. 1962-163, s. 16.)

(3) P.C. 1954-160, s. 108 (3). (Revoked by P.C. 1961-128, s. 16.)

**109.** No one shall fish for, catch, or kill fish at any time in the area hereinafter described.

All and singular that certain parcel or tract of land situate, lying and being in part in the township of South Marysburgh, county of Prince Edward, Province of Ontario, and in part in the waters of Lake Ontario, the said area being more particularly described as follows:

Commencing at the intersection of the centre line of the existing road between lots 3 and 4 in the first concession on Lake Ontario west of Point Traverse with the high water mark of Lake Ontario;

Thence south 60 degrees east a distance of 2.75 miles.

Thence south 46 degrees west a distance of 3.40 miles more or less to its intersection with a line drawn south 25 degrees east from the intersection of the side line between lots 9 and 10 in the First concession on Lake Ontario west of Point Traverse with the high water mark of Lake Ontario.

Thence north 25 degrees west a distance of 3.40 miles more or less to the intersection of the side line between lots 9 and 10 in the First concession on Lake Ontario west of Point Traverse with the high water mark of Lake Ontario;

Thence northeasterly along the high water mark of Lake Ontario to the place of commencement. P.C. 1954-160, s. 109.

#### SCHEDULE 1

1. The waters in the territorial districts of Kenora, Rainy River and Thunder Bay, except Lake Superior.

2. The Ontario portion of the boundary waters lying between the main shore of the State of Minnesota in the United States of America and the main shore of the Province of Ontario, except Lake Superior and those waters of Lake of the Woods lying northerly of the line described as follows:

Commencing at a point on the east shore of the Tug Channel of Lake of the Woods at the intersection with an imaginary line drawn east astronomically from a rock survey-post in a stone mound marked J. K. 153 on the west shore of the Tug Channel, the survey-post being approximately three-quarters of a mile south of the southern extremity of Coste Island; thence west astronomically across the Tug Channel to the survey-post in the stone mound marked J. K. 153; thence in a general northerly and westerly direction following the easterly and northerly shores of Falcon Island to a point in a line drawn south astronomically from a rock survey-post in a stone mound marked J. K. 149, being at the southwesterly extremity of Lily Island; thence north astronomically across Johnston Passage to the survey-post in the stone mound marked J. K. 149; thence northwesterly in a straight line on a course approximately north 50 degrees west, two and one-quarter miles more or less to a rock survey-post in a stone mound marked J. K. 125, being at the southwesterly extremity of a large island lying southwest of Royal Island; thence northwesterly in a straight line, one and one-quarter miles more or less to the northeasterly extremity of Separation Point on the Western Peninsula.

## SCHEDULE 2

## (see Section 96, Subsection 1)

ITEM	COLUMN 1	COLUMN 2	COLUMN 3	COLUMN 4	COLUMN 5
1	Lake Superior and North Channel of Lake Huron.	Any depth	Any species other than those indicated in this column in items 2 to 7, both inclusive, and in items 37 to 40, both inclusive.	Anytime	Minimum 3" Limits 3 $\frac{1}{4}$ " and 4 $\frac{1}{2}$ "
2	Lake Superior and North Channel of Lake Huron.	8 Fathoms or less	Perch	Anytime	Minimum 2 $\frac{3}{4}$ " Limits 3 $\frac{1}{4}$ " and 4 $\frac{1}{2}$ "
3	Lake Superior and North Channel of Lake Huron.	More than 8 Fathoms	Perch	Anytime	Minimum 3" Limits 3 $\frac{1}{4}$ " and 4 $\frac{1}{2}$ "
4	Lake Superior and North Channel of Lake Huron.	Any depth	Lake Trout, Pike, Yellow Pickerel, White-fish.	Anytime	Minimum 4 $\frac{1}{2}$ "
5	Lake Superior and North Channel of Lake Huron.	8 Fathoms or less	Ciscoes, Herring	Anytime	Minimum 2 $\frac{1}{4}$ " Limits 3 $\frac{1}{4}$ " and 4 $\frac{1}{2}$ "
6	Lake Superior and North Channel of Lake Huron	More than 8 Fathoms but not more than 10 Fathoms, or more than 50 Fathoms.	Ciscoes, Herring	Anytime	Minimum 2 $\frac{1}{2}$ " Limits 3 $\frac{1}{4}$ " and 4 $\frac{1}{2}$ "

## SCHEDULE 2

## (see Section 96, Subsection 1)

ITEM	COLUMN 1	COLUMN 2	COLUMN 3	COLUMN 4	COLUMN 5
7	Lake Superior and North Channel of Lake Huron	More than 10 Fathoms but not more than 50 Fathoms.	Ciscoes, Herring	Anytime	Minimum 3" Limits 3 $\frac{1}{4}$ " and 4 $\frac{1}{2}$ "
8	Lake Huron including Georgian Bay but excepting North Channel	Any depth	Any species other than those indicated in this column in items 9 to 11, both inclusive, and items 37 to 40, both inclusive.	Anytime	Minimum 3" Limits 3 $\frac{1}{4}$ " and 4 $\frac{1}{2}$ "
9	Lake Huron including Georgian Bay but excepting North Channel	8 Fathoms or less	Perch	Anytime	Minimum 2 $\frac{3}{4}$ " Limits 3 $\frac{1}{4}$ " and 4 $\frac{1}{2}$ "
10	Lake Huron including Georgian Bay but excepting North Channel	More than 8 Fathoms	Perch	Anytime	Minimum 3" Limits 3 $\frac{1}{4}$ " and 4 $\frac{1}{2}$ "
11	Lake Huron including Georgian Bay but excepting North Channel	Any depth	Lake Trout, Pike, Yellow Pickerel, Whitefish	Anytime	Minimum 4 $\frac{1}{2}$ "
12	Lake Huron including Georgian Bay but excepting North Channel	8 Fathoms or Less	Ciscoes, Herring	November 1st to December 31st, inclusive.	Minimum 2 $\frac{1}{4}$ " Limits 3 $\frac{1}{4}$ " and 4 $\frac{1}{2}$ "

13	Lake Huron including Georgian Bay but excepting North Channel	More than 8 Fathoms but not more than 10 Fathoms, or more than 50 Fathoms.	Ciscoes, Herring	Anytime	Minimum $2\frac{1}{2}''$ Limits $3\frac{1}{4}''$ and $4\frac{1}{2}''$
14	Lake Huron including Georgian Bay but excepting North Channel	More than 10 Fathoms but not more than 50 Fathoms.	Ciscoes, Herring	Anytime	Minimum $3''$ Limits $3\frac{1}{4}''$ and $4\frac{1}{2}''$
15	Revoked by P.C. 1962, 163 s. 17 (1)				
16	Revoked by P.C. 1957, 1683				
17	Revoked by P.C. 1962, 163 s. 17 (1)				
18	Revoked by P.C. 1957, 1683				
19	Revoked by P.C. 1962, 163 s. 17 (1)				Minimum $2\frac{3}{4}''$ Limits $3\frac{1}{4}''$ and $4\frac{1}{2}''$
20	Lake Ontario except Weller Bay and the waters described in schedule 5.	8 Fathoms or less	Any species other than those indicated in this column in items 22 to 25, both inclusive, and in items 37 to 40, both inclusive.	Anytime	

## SCHEDULE 2

## (see Section 96, Subsection 1)

ITEM	COLUMN 2	COLUMN 3	COLUMN 4	COLUMN 5
21	Lake Ontario except Weller Bay and the waters described in schedule 5.	More than 8 Fathoms	Anytime	Minimum 3" Limits 3 $\frac{1}{4}$ " and 4 $\frac{1}{2}$ "
22	Lake Ontario except Weller Bay and the waters described in schedule 5.	Any depth	Lake Trout, Pike, Yellow Pickerel, Whitefish	Anytime
23	Lake Ontario except Weller Bay and the waters described in schedule 5.	More than 8 Fathoms but not more than 25 Fathoms.	Ciscoes, Herring	Anytime
24	Lake Ontario except Weller Bay and the waters described in schedule 5.	8 Fathoms or less, or more than 25 Fathoms, but not more than 30 Fathoms.	Ciscoes, Herring	Anytime
25	Lake Ontario except Weller Bay and the waters described in schedule 5.	More than 30 Fathoms	Ciscoes, Herring	Anytime

26	Lake Ontario except Weller Bay and the waters described in schedule 5	Any depth	Smelts	Anytime	Minimum $1\frac{1}{2}''$ Maximum $2\frac{1}{2}''$
27	Weller Bay	Any depth	Any species other than those indicated in this column in item 28 and in items 37 to 40, both inclusive.	October 1st to December 31st, inclusive.	Minimum $2\frac{3}{4}''$ Limits $3\frac{1}{4}''$ and $4\frac{1}{2}''$
28	Weller Bay and the waters described in item 3 of schedule 5.	Any depth	Lake Trout, Pike, Yellow Pickerel, Whitefish	October 1st to December 31st, inclusive.	Minimum $4\frac{1}{2}''$
29	Weller Bay	Any depth	Smelts	January 1st to June 14th, inclusive, October 1st to December 31st, inclusive.	Minimum $1\frac{1}{2}''$ Maximum $2\frac{1}{2}''$
30	That part of Lake of the Woods lying south of the line described in Schedule 1.	Any depth	Any species other than those indicated in this column in item 31 and in items 37 to 40, both inclusive.	January 1st to April 14th, inclusive, May 21st to December 31st, inclusive. No licensee shall take fish to which a closed season applies during that closed season.	Minimum $4\frac{1}{2}''$
31	That part of Lake of the Woods lying south of the line described in schedule 1.	Any depth	Yellow Pickerel	January 1st to April 14th, inclusive, May 21st to December 31st inclusive.	Minimum $4\frac{1}{4}''$

## SCHEDULE 2

## (see Section 96, Subsection 1)

ITEM	COLUMN 1	COLUMN 2	COLUMN 3	COLUMN 4	COLUMN 5
32	That part of Lake of the Woods lying north of the line described in schedule 1	Any depth	Any species other than those indicated in this column in items 37 to 40, both inclusive.	January 1st to April 14th, inclusive, 21st to December 31st, inclusive. No licensee shall take fish to which a closed season applies during that closed season.	Minimum 4 $\frac{1}{2}$ "
33	Rainy Lake and Namakan Lake in the territorial district of Rainy River.	Any depth	Any species other than those indicated in this column in item 34 and in items 37 to 40, both inclusive.	January 1st to April 4th, inclusive, 15th to December 31st, inclusive. No licensee shall take fish to which a closed season applies during that closed season.	Minimum 4 $\frac{1}{2}$ "
34	Rainy Lake and Namakan Lake in the territorial district of Rainy River.	Any depth	Yellow Pickerel	January 1st to April 4th, inclusive, 15th to December 31st inclusive.	Minimum 4"

35	Any waters other than those mentioned in this column in items 1 to 34, both inclusive.	Any depth	Any species other than those indicated in this column in items 36 to 40, both inclusive.	Any time but no licensee shall take fish to which a closed season applies during that closed season.	Minimum $4\frac{1}{2}''$
36	Any waters other than those mentioned in this column in items 1 to 34, both inclusive.	Any depth	Goldeyes	Anytime	Minimum $3\frac{3}{4}''$
37	Lake Superior, Lake Huron including North Channel and Georgina Bay, Lake George, Munuscong Lake, Potagannissing Bay, the stretch of water between Drummond and Cockburn Islands, Lake St. Clair, Lake Erie, Lake Ontario and Lake St. Lawrence.	Any depth	Sturgeon	Anytime	Minimum 12"
37A	Lake St. Francis and expansions of the Ottawa River.	Any depth	Sturgeon	January 1st to May 14th, inclusive, June 15th to December 31st, inclusive.	Minimum 10"

## SCHEDULE 2

## (see Section 96, Subsection 1)

ITEM	COLUMN 1	COLUMN 2	COLUMN 3	COLUMN 4	COLUMN 5
38	Any waters other than Those mentioned in this column in item 37 and item 37A.	Any depth	Sturgeon	January 1st to May 14th, inclusive, June 15th to December 31st, inclusive.	Minimum 12"
39	Bay of Quinte and Weller Bay.	Any depth	Carp	January 1st to June 14th, inclusive, Sept- ember 16th to Decem- ber 31st, inclusive, fishing under ice per- mitted only when au- thorized by the licence	Minimum 8"
40	Any waters other than those mentioned in this column in item 39.	Any depth	Carp	Anytime	Minimum 8"

## SCHEDULE 3

### Bruce County:

Sauble River—that portion in the Township of Amabel from Sauble Falls, westerly to Lake Huron.

Saugeen River—that portion in the Townships of Saugeen, Arran and Amabel from Shanks Bridge on the county road between Concessions 12 and 13, Township of Saugeen, northwesterly to Lake Huron.

Little Sauble River—that portion in the Township of Bruce and from the mouth of the river to the bridge between Concessions II and III,

Penetangore River—that portion in the Town of Kincardine from the mouth of the river to the bridge at King's Highway No. 21.

### Durham County:

The portion of Durham County lying southerly of the highway known as the "King's Highway Number 2".

### Grey County:

Beaver River—that portion in the Township of Collingwood, from the Thornbury hydro electric power dam, northerly to Georgian Bay.

Big Head River—that portion in the Township of St. Vincent from the allowance for road between concession VI and VII easterly and northerly to Georgian Bay.

Pottawatomi River—that portion in the Township of Derby and the City of Owen Sound from Jones Falls easterly to Owen Sound Bay of Georgian Bay.

Sydenham River—that portion in the city of Owen Sound from the textile mill dam, between 5th Street and 6th Street, on the Mill Reserve property northerly to Owen Sound Bay of Georgian Bay.

### Huron County:

Bayfield River—that portion in the townships of Goderich and Stanley from the mouth extending upstream to the bridge between Concessions 6 and 7 in the Township of Stanley in the vicinity of Varna.

Maitland River—that portion in the Townships of Colborne and Goderich from the mouth extending upstream to the bridge at King's Highway No. 21.

#### **Norfolk County:**

Big Creek—that portion in the townships of Charlotteville, North Walsingham and South Walsingham from the road, at the village of Lynedoch, between lots 2 and 3, Concession 12, Township of Charlotteville, southerly to Long Point Bay of Lake Erie.

Young Creek (or Ryerse Creek)—that portion in the Township of Charlotteville from the mill dam on lot 23, Concession 3, Township of Charlotteville, southeasterly to Lake Erie.

#### **Northumberland County:**

The portion of Northumberland County lying southerly of the highway known as the "King's Highway Number 2".

#### **Ontario County:**

The portion of Ontario County lying southerly of that part of the King's Highway known as Number 2.

#### **Simcoe County:**

Nottawasaga River—that portion in the Townships of Essa, Flos, Sunnidale and Vespra from the confluence of the Nottawasaga and Boyne Rivers northerly to Nottawasaga Bay of Georgian Bay.

Sturgeon River—that portion in the Township of Tay from the south boundary of that Township, northerly to Sturgeon Bay of Georgian Bay.

Coldwater River—that portion in the Townships of Medonte and Tay from the mill dam in the Village of Coldwater to the junction with the North River.

Hog Creek—that portion of the Township of Tay from the Canadian National Railway bridge northerly to Hog Bay of Georgian Bay.

North River—that portion from MacLaughlins Falls in the Township of Matchedash southerly to Matchedash Bay of Georgian Bay.

### **Algoma District:**

St. Mary River—that portion fronting the City of Sault Ste. Marie, lying north of the international boundary, from the Canadian Pacific Railway bridges, east to an imaginary straight line between the ferry dock in Sault Ste. Marie, Province of Ontario, southwesterly to the ferry dock in Sault Ste. Marie, State of Michigan.

### **Manitoulin District:**

Bluejay Creek—that portion in the Township of Tehkummah from the bridge at the 8th Concession line, southerly to Michael Bay of Lake Huron.

Manitou River—that portion in the Township of Tehkummah from the Government Road in lot 24, Concession 4, Township of Tehkummah, southerly to Michael Bay of Lake Huron.

Providence Creek—that portion in the Township of Carnarvon from the mill dam on lot 2, Concession 11, Township of Carnarvon, southerly to Providence Bay of Lake Huron.

---

### SCHEDULE 4

(See Section 3, subsection 2)

### **District of Algoma:**

Cedar Lake in the Township of Hunt.

Clifton, Newcombe and Summit Lakes in the Township of Tp. 62.

Violet Lake in the Township of Cudney.

Clarke Lake in the Township of Simpson.

Barry and Justin Lakes in the Township of Tp. 48.

Andre, Kimbal and Wallace Lakes in the Township of Tp. 28, Range 25.

Anderson, Deep and Dicey Lakes in the Township of Tp. 29, Range 23.

Lena, Arliss and Lagarde Lakes in the Township of Tp. 29, Range 24.

Nancy Lake in the Township of Tp. 30, Range 24.

Pothole and Boulder Lakes in the Township of Tp. 63.

Twin O'Brien Lakes in the Townships of Tp. 64 and Tp. 66.

Perry Lake in the Township of Tp. 28, Range 26.

#### **District of Cochrane:**

Parks Lake in Calder Township.

Paradise Lake in Clute Township.

Duff, Greensward, Kidney, Levoy and Wiskin Lakes in Colquhoun Township.

Clear (or Clearwater) and Evelyn Lakes in Evelyn Township.

Else and Rat Lakes in Fournier Township.

Bullfrog, Deer, Fisher, Green, Heart, Irrigation, Island, Kettle, North East Twin, Slab, Spring, Whitepine (or Pine) Lakes in German Township.

Deep, Jane, Little Club, Low, Round and South Club Lakes in Macklem Township.

Arrow, Bow, Centre Triple, Fogg, Hart and South Triple Lakes in Sheraton Township.

Hector and Norman Lakes in Lamarche Township.

#### **District of Kenora:**

That part of the Territorial District of Kenora described as follows:

Commencing at a point in the boundary between Manitoba and Ontario where it is intersected by the 11th Base Line; thence easterly along that base line and its production to the intersection with the northerly shore of the Wabassi River; thence in a general easterly direction along the northerly shores of that river and the Albany River to James Bay; thence northerly and westerly along the shores of James Bay and Hudson Bay to the boundary between Manitoba and Ontario; thence southwesterly and southerly along that boundary to the point of commencement.

#### **District of Rainy River:**

All waters located within the boundaries of Quetico Park.

## District of Sudbury:

Foot Lake in McNaught Township.  
Shoofly Lake in Beulah and Marshay Townships.  
Knothole Lake in Cabot Township.  
Debbie Lake in Sherlock Township.  
Helen and Tahill Lakes in Somme Township.

## District of Thunder Bay:

All waters in the Townships of Aldina, Conmee, Forbes, Fraleigh, Gorham, Jacques, Lybster, MacGregor, Marks, McTavish, O'Connor and Scoble; and Inwood Lake in Inwood Township.

All waters in the Township of Devon other than Fallingsnow Lake and Pigeon River.

All waters in the Township of Dorion other than Coldwater River and Wolf River.

All waters in the Township of Hardwick other than Arrow Lake and Whitefish Lake.

All waters in the Township of Hele other than Black Sturgeon River.

All waters in the Township of Lismore other than Whitefish River.

All waters in the Township of Nipigon other than Lake Helen, Black Sturgeon River and Nipigon River.

All waters in the Township of Sterling other than Wolf River.

All waters in the Township of Strange other than Whitefish Lake.

Botham Lake in the Township of Tp. 73.

North Twin, South Twin, Dragline and Buck Lakes in the Township of Cecile.

Lost Lake in the Township of Knowles.

That part of the Territorial District of Thunder Bay as described as follows:

Beginning at a point in the high-water mark of Lake Superior where the same is intersected by the

easterly boundary of the District of Thunder Bay; thence northerly along that easterly boundary to the southeasterly corner of the Township of Knowles; thence west astronomically along the southerly boundary of that township and its production to the high-water mark of Lake Superior; thence southerly and easterly along that high-water mark to the place of beginning.

#### **District of Timiskaming:**

Hazel Lake in Bisley Township.

Allen, Bea, Campbell, Carswell, Charlie, Clifford, Columbus, Don, Esker, Gaf, Gourlay, Ian, Laf, Little Boy, Lulu, Mall, Marcel, Marsh, Mike, Morris, Old Man, Pall, Panagapka, Sausage, Sea Horse, Tom and Walker Lakes in Clifford Township.

Sinkhole Lake in Gauthier Township.

Purdy Lake in Grenfell Township.

Bartle Lake in Hudson Township.

Jordon and Wilson Lake in Lebel Township.

Dorothy, Joyce and Lawgreaves Lakes in Morissette Township.

Barnard Lake in Ossian Township.

#### **County of Frontenac:**

Mosque Lake in Clarendon and Miller Township; Bullseye, Butternut, Dewdrop, Egg, Granite, Mair, Minnow and Spot Lakes in that part of the Township of Palmerston and North and South Canonto known as South Canonto.

#### **Provisional County of Haliburton:**

All lakes in the Township of Bruton, other than Four-corner Lake and Kingscote Lake.

#### **County of Oxford:**

Sunova<sup>™</sup> (Mud or Crystal) Lake in East Nissouri Township.

## **County of Simcoe:**

Midland Park Lake in the Township of Tay and the town of Midland.

And all streams flowing into or out of the Lakes described in this Schedule.

---

## **SCHEDULE 5**

(See Section 68, subsection (1) (a), (b), (c).)

1. Hay Bay in the Bay of Quinte of Lake Ontario.
2. That portion of the Bay of Quinte of Lake Ontario lying west of a line drawn from Cole Point to the eastern end of Grape Island, thence to the eastern end of Grove Island, thence to Horse Point in the County of Prince Edward, and thence to the wharf of the Lehigh Cement Works in the County of Hastings.
3. That portion of the Bay of Quinte of Lake Ontario lying between the line described in item 2 and a line drawn from the ferry-dock at Glenora in the County of Prince Edward to the ferry-dock at Cook Point in the County of Lennox and Addington, except Hay Bay.

SCHEDULE 6

(Revoked by P.C. 1957-1683, s. 9.)

SCHEDULE 7

COLUMN 1 Type of Fish	COLUMN 2 Method of Fishing or Taking	COLUMN 3 Open Season (All dates are inclusive)	COLUMN 4 Waters
1. Largemouth and Small-mouth Black Bass	1. (1) Angling	1. (1) June 25—December 31st	1. (a) Lake St. Clair, St. Clair River and the Detroit River.
	(2) Angling	(2) July 1st—November 30th	(b) Lake Erie and the Niagara River between Lake Erie and Niagara Falls
	(3) Angling	(3) June 15th—November 30th	(c) That portion of the St. Lawrence River extending westerly from the dam at the site of the Robert H. Saunders Generating Station in the County of Stormont.
	(4) Angling	(4) May 15th—December 15th	(d) (i) The Canadian portion of the boundary waters, other than Lake Superior, lying between the main shore of the State of Minnesota in the United States of America and the main shore of the Territorial District of Thunder Bay. (ii) The Territorial Districts of Kenore and Rainy River.
	(5) Angling	(5) July 1st—	(e) All waters not mentioned in (a) to (d)

2. (1) Angling

2. (1) Angling	2. (1) June 20th— October 15th	<p>2. (a) (i) Divisions 1 and 2.</p> <p>(ii) In Lake Superior, North Channel of Lake Huron, St. Mary River, Lake George, Munuscong Lake, Potaganissing Bay, and the stretch of water between Drummond and Cockburn Islands.</p> <p>(iii) That part of Georgian Bay north of a line drawn from the northern extremity of Fitzwilliam Island in a northeasterly direction in a straight line to a point on the southerly shore of the westerly channel of the French River where it is intersected by the production southerly of the easterly limit of the Township of Travers.</p>
	(2) Angling	<p>(2) July 1st— October 15th</p> <p>(i) Division 3, except the Ottawa River.</p> <p>(ii) Lake Huron, Lake Ontario, and the Niagara River from Niagara Falls to Lake Ontario.</p> <p>(iii) That portion of Georgian Bay south of the line described in item 2 (a) (iii).</p>
	(3) Angling	<p>(3) May 15th— November 30th</p> <p>(c) the Ottawa River, Lake St. Francis and that portion of the St. Lawrence River from Lake St. Francis to the dam at the site of the Robert H. Saunders Generating Station in the County of Stormont.</p>

SCHEDULE 7—CONTINUED
